Cllr P Dore – Vice Chair

Cllr Bendle, Cllr K Chan, Cllr Dunnett, Cllr Foord, Cllr Lys, Cllr Maltby, Cllr Riley, Cllr Stickland,

Cllr Shingfield

Clerk – Alison Doe

There were 10 members of the public present including County Cllr Dewsbury and Distric Cllr Bendle.

1. Apologies for absence - There were no apologies for absence.

2. Public participation session

2.1 A member of the public (representing the Rectory Gardens management Committee) spoke to make representations against the planning application, agenda item 12.3, 2019/0541 - Erection of two storey detached dwelling with integral double garage - Land South East of Rectory Gardens Hingham Norfolk). Concerns were raised regarding the proximity of the proposed dwelling to the existing flats. It was expressed that the dwelling proposed was out of character with the surrounding area, would create overshadowing and loss of privacy and light as well as creating noise issues, not only from the building of the property, but from vehicle movements on the proposed gravel driveway, which would be only 3 meters away from one of the existing flat's bedroom windows.

Concerns were also raised that the proposed development would result in loss of the only green space/amenity land separating the flats from the houses, the loss of this green space would result in loss of trees and wildlife. It was also raised that the building of one property would set a precedent for the land to be further developed.

Another member of the public advised that there are already problems with the watercourse, with the existing system not being adequate, and has been subject to blockages and overflowing.

A further member of the public also raised concerns regarding noise from the proposed gravel driveway and the detrimental impact on nature from loss of trees, being home to nesting rooks, squirrels and owls.

2.2 A member of the public spoke to make representations against the planning application, agenda item 12.4 2018/1843 - Land East of The Fields Hingham - Dwelling house and garage. Concerns were raised regarding the difficulty large vehicles would have making deliveries of building materials to the site, being that The Fields is a narrow road, with 2 tight bends.

Another member of the public advised that their boundary hedge has large vehicles getting stuck in it due to the narrowness of the road. There are also issues with obtaining heating oil, having to pay extra for heating oil to be delivered by a smaller vehicle.

2.3 A member of the public advised that the number 17 bus service will still serve Hingham (Via a different bus company) for a year to "see how it goes", the service will still be on a Tuesday and a Friday.

The Chairman thanked Cllr Bendle for her help and support of the Town and Town Council over the past four years.

10. County Councillor's report

- 12.2 2019/0568 - Single storey front extension.
Orchard House Mill Corner Hingham Norfolk NR9 4LG**
The Council agreed to recommend approval

- 12.3 2019/0541 - Erection of two storey detached dwelling with integral double garage. Land South East Of Rectory Gardens Hingham Norfolk**
The Council considered the details of the application and representations made by nearby residents and agreed that this application should be refused on the following grounds:

Negative effects on amenity particularly due to, noise, disturbance, overlooking and loss of privacy – (due to the close proximity of the proposed dwelling to the existing flats), shading / loss of daylight, (being that the proposed development would be over-bearing to neighbouring properties), over-development or overcrowding of the site. It was also considered that the development would have a negative / adverse visual impact - particularly on the landscape as it would result in the loss of green space and its wildlife inhabitants.

Concerns were raised regarding the potential for noise from vehicles and vehicle movements on the gravel driveway which will be in close proximity to bedroom windows of the neighbouring flats. Concerns were also raised regarding drainage issues, being that the existing drainage system has frequent problems with overflowing requiring the services of drainage companies.

- 12.4 Amended application 2018/1843 - Land East of The Fields Hingham
Proposal: Dwellinghouse and garage**

The Council considered the details of the application and representations made by nearby residents and agreed that this application should be refused on the following grounds:

The Fields is a very narrow road with sharp bends and is therefore unsuitable access for the heavy traffic/ size of vehicles required for the development of the site. This is likely to cause difficulties for existing residents with potential for the road to become blocked as there is no turning or passing places, and increase difficulties caused by existing issues with mud and poor drainage. The infrastructure of the road is insufficient and unsuitable to support this development. The road is already poorly maintained with grass growing on the surface and being subject to large deposits of mud resulting from vehicle movements on the lane.

Concerns were raised that there are already difficulties regarding larger vehicles being unable to make deliveries to properties on The Fields.

The location of the proposed development is outside the development boundary for Hingham.

- 12.5 2019/0182 - Chestnut Farm Deopham Road Hackford NR18 9HJ
Erection of two livestock buildings, to house pigs for fattening.**
The Council agreed to recommend approval

14. To receive any updates on/discuss the transfer of the public toilets

The Clerk advised that the insurance was in place for the proposed transfer date of 01 April 2019, however the water heater had been switched off as it was causing the electricity trip switch to go off, the heater had not yet been repaired. The fan in the disabled toilet had not yet been repaired and the Town Council did not have access to the disabled toilet/ baby changing facilities due to them being locked and the key taken away when the lock was changed by the contractors. The signed paperwork will be forwarded to SNC when the issues have been resolved.

15. To note/reminder of the date of the Annual Town Meeting on 16 April 2019 - all reports to be received by the Clerk by 08 April 2019 please.

Noted.

16. To consider a resident's request for a dog waste bin to be placed on Greenacre Road near to Primrose Road

The Council considered a residents request (made at the previous meeting of the Town Council) for the Council to install a dog waste bin on Greenacre Road, it was agreed to not install a bin at this time, due to the Town Council recently undertaking a review of the use of the existing dog waste bins in order to reduce the cost of emptying them. It was agreed to ask the handyman to monitor the dog fouling in the area Residents were urged to report issues with dog fouling to South Norfolk Council.

17. To consider the proposal from the Hingham Society to place a plaque in recognition of their funding of the replacement Fairland oak trees

The Council agreed for the plaques to be installed, and thanks was given to the Hingham Society for their donation to cover the cost of the new Oak trees.

18. To consider a resident's proposal to organise a Christmas Market on the Fairland on Sunday 8th December 2019

The resident has a background in organising events and a written proposal from them was forwarded to all Cllrs prior to the meeting, advising that the Market would be organised with relevant licences, risk assessments and insurance in place. Charity stalls would be free and any profit made from business stall fees would be given to charity, it was suggested by Cllrs that any profit should go to local charities. The Council agreed to the event taking place on the Fairland on the proposed date.

19. To agree the asset register for year ending March 2019

The Clerk advised that she was waiting for a cost figure for the new Victorian street light columns that had recently been installed so that it could be added to the asset register (the invoice for the work only stated the figure for the columns inclusive of installation and connection).

20. To resolve outstanding decisions deferred by this Council as below**20.1 (from June 2016) Request for a bus shelter (Watton Bound) on Norwich Road, by the top pedestrian entrance to the Hops development.**

It was noted that this bus stop is not used by many people and therefore the Council agreed not to install a bus shelter. (This could always be re assessed at a later date if the bus stop became more frequently used).

20.2 (from June 2016) - To discuss/consider undertaking a Hingham Neighbourhood Plan

It was considered that it would be costly both in time and financially, to produce a Neighbourhood Plan. The plan would not hold any authority as it could be overruled by the District Council during the planning process. It was therefore agreed not to undertake a Neighbourhood Plan.

FINANCE**21. To receive the draft minutes of the meeting of the Finance Committee 19 March 2019**

A copy of the draft minutes of the meeting of the Finance Committee 19 March 2019 (see Appendix B) was forwarded to all Cllrs prior to the meeting. The draft minutes will be approved at the next meeting of the Finance Committee.

7. **To undertake a review of the budget 2018/19 - incorporating suggestions for the reserve policy figures for 2019/20 (see Appendix A)**
*Receipts: - The Clerk confirmed that the cemetery charges received were higher than anticipated in the budget due to a non-resident interment and kerbing applications. The Clerk confirmed that she would be invoicing South Norfolk Council for the toilet cleaning agreement fee for the whole of 2018/19 now that SNC had confirmed that the toilet transfer should take place on 01 April 2019. The Clerk is also to chase Norfolk County Council for the agency grass cutting fee as this had not yet been received.
Payments: It was noted where there are significant under and overspends against the 2018/19 budget (see Appendix A for detail). The most significant overspend was for pension payments (due to an increase in contribution percentages) and Employers NI Contributions, due to an increase in pay for the Clerk since the 2018/19 budget was agreed.*

*It was noted where payments had been made, that were not part of the budget, coming from either reserves or the Capital Fund.
Reserve figures for 2019/20: It was agreed that the Clerk should amend the reserve figures to take into consideration the under/over spends in the 2018/19 budget. It was also agreed that provision for the public toilets must be made within the reserves.*
8. **To discuss the financial arrangements for funding the public toilets**
The Clerk reminded the Committee that there is a commuted sum of £30,000 due to the Council on completion of the toilet transfer, and that there is a figure of £7570.80 due, which is the remainder of refurbishment budget. It was agreed that the £7570.80 should be retained as the foundation for a "toilet

maintenance/emergency" fund within the reserves. It was also agreed that for the first year of Hingham Town Council's ownership, general running costs for the toilet should be taken from the £30,000, with the amount being spent to be assessed when the 2020/21 budget is being set, at this time an amount to be raised from the precept for the running of the toilets should be agreed. The Clerk suggested that this should be a portion of the total annual expected running cost, with the remainder coming from the £30,000 during 2020/21, with the amount required from the precept to be increased in further years until the full expected running cost of the toilets is achieved through the precept.

9. To undertake the internal financial check
