

MINUTES OF THE MEETING OF HINGHAM TOWN COUNCIL HELD IN THE LINCOLN HALL ON TUESDAY 01 MARCH 2022. THE MEETING COMMENCED AT 7.30pm.

Present

Cllr Eldridge , Chairman

Cllr Amey, Vice Chair

Cllr Christien, Cllr Dunnett, Cllr Foord, Cllr Overton, Cllr Roberts and Cllr Thompson

There were 5 members of the public present including County Cllr Dewsbury and District Cllr Bendle

1. Apologies for absence

Apologies for absence were received from Cllr Sta Ana.

N.B Apologies were received post meeting, from Cllr Stabler

2. Public participation session - (15 minutes) (Members of the public may make a statement or ask a question of not more than three minutes duration)

2.1 A representative from the Hingham Playing Field Association spoke to advise of the plans for the Queen's Platinum Jubilee weekend (2nd – 5th June) celebrations. Plans include:

- Thursday, Bag Pipes to be played in the Market Place
- Friday , a family friendly party in the Lincoln Hall
- Saturday, a music event at the Sports Centre
- Sunday, Tea Dance/Cream Tea event at the Sports Centre

It is hoped that as many community organisations in the town will be involved in the weekends celebrations and it is hoped to offer the activities for free, therefore sponsorship will be sought from local businesses and grants also be sought.

2.2 It was advised that the Sports Centre is collecting donations to be sent to Ukraine. Donations will be taken to the collection lorry at Morrisons in Dereham.

2.3 Cllr Christien spoke as a resident to raise concerns regarding the increasing cost of living and increasing energy prices both which will leave people in financial hardship and will have a detrimental effect on people's health and wellbeing. Concerns were also raised for the welfare of people affected by the war in Ukraine. Cllr Christien stated that she had been humbled and impressed by the generosity of people in Hingham during the Covid pandemic, especially those who gave donations to help fund the Hingham Emergency Packages scheme and those who organised Hingham Helpers and everyone who gave their time to help others. Cllr Christien spoke to encourage the Town Council to take an active lead and for the people of Hingham to consider what help might be needed now and in the future and do what they can to help others in the community and to help to accommodate refugees.

3. Declarations of interests with regard to items on the agenda and to consider requests for dispensations

There were no declarations of interest regarding items on the agenda.

4. To agree a Chairman to preside over any agenda items of this meeting, if both the Chairman and Vice Chair are unable to preside due to (agenda item 1) Apologies for absence and /or (agenda item 3) Declarations of interests

Cllr Eldridge advised he would Chair all agenda items.

5. To consider any applications for co-option on to the Town Council
There were no applications for co-option on to the Town Council.
6. To agree the accuracy of the Minutes of the Town Council meeting of 01 February 2022
The Minutes were circulated to all Cllrs prior to the meeting and were agreed as correct and signed by the Chairman.
7. Matters arising from the Minutes of 01 February 2022 (and other updates contained in a written Clerks report circulated prior to the meeting – See appendix A)
It was queried as to whether there had been any progress on the town clock. The Clerk advised that the company she had contacted, who had previously (most recently) worked on the clock, had not replied to emails, and therefore an alternative company will be contacted.
8. Working Party Reports
The Neighbourhood Plan Working Party met on 02 February 2022.
All Steering group volunteer submissions and completed skills audits were considered and 10 volunteers (out of the 14 who came forward) were included on the steering group.
The selection has resulted in the Steering group having a good mix of people with varying skills and it is hoped the time to commit to the process. The remaining volunteers will be asked to help out with specific tasks such as research, and event days, if needed.
Members of the Working Party met with Rachel the Consultant via Zoom (01.02.2022) and a Zoom meeting has taken place with AECOM (07.02.2022) regarding the technical work required. AECOM will be working on a housing needs assessment.
The first Steering Group Meeting has taken place on 21.02.2022, all but 1 volunteer attended.
9. Neighbourhood Plan Steering Group report
A written report was forwarded to all Cllrs prior to the meeting (as below):
Work to date
 - First meeting of the Steering group took place on 21 February 2022 – (minutes will be on the NP website when available)
 - Chair, Vicechair and Secretary were chosen (Clerk will act as Treasurer)
 - Draft Aims/Vision of the plan written at the meeting
 - Terms of Reference and Declaration of Interest forms, complete
 - Leaflets for first drop-in consultation day (19 March 2022) printed ready to be delivered with the parish magazine (and additional properties as needed)
 - Locality Funding awarded and received, £7855, (to be spent by 31 March 2022)
 - SNC funding awarded (£6000), awaiting confirmation of payment
 - Website published, updated as needed - <https://hinghamplan.org.uk>
 - Placecheck set up for Hingham - <https://www.placecheck.info/app/maps/hingham>
 - Started free 30 day trial for Parish online
 - Information received from Norfolk Biodiversity Information Service
 - Information from Norfolk Historic Environment Records Office applied for
 - Housing Needs Assessment requested from Locality/AECOM
 - Lots of stock photos have been taken for use during the process**Work ahead (over the next month or so)**
 - Start Character Appraisal work, including a walk about Hingham (01 March 2022)
 - Drop-in public consultation day, in the Lincoln Hall, 10am to 2pm 19th March 2022
 - Develop data profile containing statistics, maps and planning policy context for Hingham (will form a critical part of the content of the Neighbourhood Plan and evidence base)
 - Steering Group to consider:
 - Site allocation work,
 - Designation of Local Green Spaces
 - Identifying Non-designated Heritage Assets
 - Steering Group to undertake detailed meetings with stakeholders

- Next Steering Group meeting 29 March 2022

10. Reports from representatives on external bodies/ attendees of external meetings/training

10.1 Hingham Playing Field Association/Sports and Social Club

Cllr Roberts advised that he had attended the meeting regarding the preparations for the Queens Platinum Jubilee celebrations and had forwarded the grant application form (from South Norfolk Council) to the organising committee, in order for the grant to be applied for the form requires specific information regarding the event. The Town Council can apply for the grant (of up to £300) and pass it on to the those organising jubilee events.

10.2 Lincoln Hall

Cllr Christien advised that it is hoped that the issues with the new cooker are being resolved. The cooker ordered was too big, and therefore a smaller replacement cooker is now being ordered.

It was noted that it is good to hear that the HPFA and Lincoln Hall are working together regarding the jubilee celebrations.

11. General Correspondence (information/circulars etc)

- 11.1 Norfolk County Council, Platinum Jubilee: Tree planted to mark the launch of The Queen's Green Canopy in Norfolk
- 11.2 Norfolk County Council, Big boost for recycling in Norfolk as county's largest reuse shop officially opens its doors
- 11.3 Norfolk Citizens Advice are currently having a recruitment drive for more volunteers and are also recruiting two more Trustees.
- 11.4 South Norfolk Council, Platinum Jubilee Grant
- 11.5 Norfolk Local Access Forum volunteer vacancies
The Clerk advised that she had put this information in the parish magazine.
- 11.6 Morley Festival Returns, 24 - 25 June 2022
- 11.7 Community Police Forum taking place for the Wymondham, Hethersett & Mulbarton Poringland & Loddon
- 11.8 Norwich Western Link project update

12. Correspondence (not for public inspection) as addressed directly to Hingham Town Council (from residents etc. and may contain personal information)

None

13. To discuss and agree any required responses/actions in relation to any item(s) of correspondence
No actions required.

14. District Councillor's report

District Cllr Bendle reported that South Norfolk Council have agreed an increase in the Council Tax, equivalent to £5.00 on a band D property. There will be an increase in the Council Tax Hardship Fund to help those in financial hardship.

There will be a new initiative to co-operate with developers to advance CIL payments, for developments of 500 plus new homes. This will help to support infrastructure improvements in larger towns, Hingham will not qualify for this initiative. SNC are looking at opportunities to install electric vehicle charging points.

The Community Action fund is being maintained and there is a ward grant available with £1000 (total) available to award to provide grants for small community projects.

District Cllr Bendle is the Chair of the Licensing Committee and advised that a new Taxi Licensing Policy has been adopted.

Cllr Eldridge enquired if the amount for discretionary housing payments would be increased, explaining that this is the payment over and above normal housing benefit to help cover rent.

District Cllr Bendle was unable to answer this query and advised that the Help Hub would be able to

assist and direct people who needed help and the Hardship Fund was there to help people in financial hardship.

15. County Councillor's report

County Cllr Dewsbury advised that Norfolk County Council had agreed a 2.99% increase in Council Tax.

Norfolk Fire Service had been very busy during the storms. The Chief Fire Officer is retiring and the Deputy will step up as an interim measure while it is awaited to see if it will become mandatory for the Fire Service to be with the Police Service (rather than a County Council function).

The Fire Service have launched their Fire Kills campaign.

County Cllr Dewsbury reported that the lease had expired at Hethersett Post Office and a new post master had set up a Post Office counter in Hethersett Library.

Norfolk County Council are planning to hold free activities in the Easter Holidays.

NALC have appointed 2 people from Norfolk to help with a project to get different levels of Councils to work together.

County Cllr Dewsbury advised that she was happy to attend meetings with the Town Council and Highways and it feels like there is some progress being made towards trying to resolve some highway issues in Hingham.

16. Planning Decisions

16.1 2022/0014, T1 Laurel - fell and grind out stump as large split down trunk T2 Holly (multi stemmed) - coppice T3 Lawsons Cypress - fell and grind out stump T4 Silver Birch - remove smaller trunk that leans over fence T5 Amelanchier - fell and remove stump T6, T7 & T8 Holly - coppice T9 Bird Cherry - fell and grind out stump T10 Horse Chestnut - fell and grind out stump

The Cottage 2 Dereham Road Hingham Norfolk NR9 4HU. No objections

16.2 2021/2748, Demolition of existing storage building. Erection of new dwelling and detached garage with store.

Holly Court Barn Watton Road Hingham Norfolk NR9 4NN. Approval with conditions.

16.3 2021/1687, Replacement of seven rotten wooden single glazed windows. Five of these windows are to the front of the property and will be replaced with double glazed wooden windows.

Fairland House 2 The Fairland Hingham NR9 4HN. Approval with conditions.

17. Planning Applications (as notified by SNC for consultation)

17.1 2022/0247, Location: 29 Muir Drive Hingham Norfolk NR9 4PQ

Proposal: Replacement of an existing conservatory with a single storey extension to rear
Application Type: Householder

The Council agreed to recommend approval.

18. (information regarding other planning applications where the Town Council is not a consultee , for information only)

None

Item 19 to 25 Finance

19. Reminder of the date of the next meeting of the Finance Committee 15 March 2022

Noted.

20. Proposal for the Finance Committee to approve any accounts for payment needed for the end of financial year, including those needed for the expenditure of Neighbourhood Plan grant funding (before 31 March 2022)

Agreed.

21. In accordance with the Town Council's agreement to undertake a neighbourhood Plan (i.e the Town Council has agreed to undertake the project), to agree that necessary materials may be purchased and arrangements may be made by the Hingham Neighbourhood Plan Steering Group to ensure that progress of the Neighbourhood Plan is not delayed. Invoices for such arrangements will be forwarded promptly to the Clerk to arrange payment by the Council or Finance Committee. The Clerk advised that this would include items such as printing (leaflets/posters/banners etc), and may include subscriptions to services required for the duration of the Neighbourhood Plan Project (such as Placecheck and Parish Online). It noted that having to refer such arrangements back to the Council would delay the Neighbourhood Plan project and it was therefore agreed that the Steering Group could make the necessary purchases.

22. Notification of the S137 amount for 2022/23

The Department of Levelling Up, Housing and Communities (DLUHC) has advised that the appropriate sum for the purpose of section 137(4)(a) of the Local Government Act 1972 (the 1972 Act) for parish and town councils in England for 2022-23 is £8.82.

This amount results from increasing the amount of £8.41 for 2021-2022 by the percentage increase in the retail index between September 2020 and September 2021, in accordance with Schedule 12B to the 1072 Act.

The Clerk advised that this was an amount per local government elector that was permitted to be spent when the Town Council does not have a legislated specific power to undertake the spending. Currently S137 is used to maintain the defibrillator and purchase a remembrance poppy wreath.

23. To consider making an application for the Queens Platinum Jubilee grant

South Norfolk Council had forwarded an application form for Parish and Town Councils to apply for grant funding for the Queens Platinum Jubilee Celebration events, the funds can be applied for and passed on to organisations who are arranging the event (those organisations are not able to apply for the grant directly). The amount for a Town Council is £300.

It was agreed to apply for the grant, using the information supplied by the HPFA on the event that they are organising. It was also noted that Hingham Town Council do have a grant budget and other organisations could apply to the Town Council for grant funding.

24. Proposal to authorise Utility Aid to undertake an energy audit

The information regarding an energy audit was forwarded to all Cllrs prior to the meeting. The Clerk advised that this is a free service and Utility Aid is funded via new contracts that they secure with the utility companies, there is no cost to the Town Council for the energy audit.

It was agreed that Utility Aid should be authorised to undertake the energy audit for the Town Council.

25. To approve the Accounts for Payment as listed below

The accounts for payment were agreed as below and the cheques were signed.

REF	PAYEE	DETAILS	AMOUNT	VAT
104254	STAFF	WAGES (£871.53)		
		BINBAGS (£11.96)		VAT £1.99
		CLEANING PRODUCTS (£31.10)		VAT £5.18
		TOTAL	£914.59

		TOTAL	£6,672.01	
		<i>TOTAL VAT</i>	<i>£780.65</i>	

26. To note the date of the Annual Town Meeting, Tuesday 19th April 2022

Noted. The Clerk advised that this is not a Town Council meeting, it is a community meeting. The Clubs and organisations in Hingham are invited to submit a report, and the meeting is open for any one to attend. The meeting is Chaired by the Chairman of the Town Council.

27. To receive an update and discuss the meeting held with MP George Freeman, County Cllr M Dewsbury and the Highways engineer, and agree any actions

A meeting took place with MP George Freeman on 25th February, it was attended by Cllr Roberts, Cllr Christien, Cllr Dunnett and Cllr Eldridge, District Cllr Bendle, County Cllr Dewsbury, and the NCC Highways engineer. A draft of the Fairland feasibility study had been provided by NCC and circulated prior to the meeting. Cllr Thompson had written a further report regarding the need for improvements to, and maintenance on various signs and road marking and other highway maintenance issues, this report was given to the highways engineer.

During the meeting concerns regarding highways issues were discussed as was concerns regarding the Greater Norwich Local Plan allocation of land for development on Norwich Road.

Cllrs who attended the meeting advised that it went well and appears to be a positive step toward resolving some of the issues raised.

28. Receive an update on the Fairland feasibility study and to nominate Councillors to help to progress the completion of the study including undertaking dialogue with Norfolk County Council

A draft copy of the Fairland feasibility study had been provided by Norfolk County Council and had been forwarded to all Cllrs prior to the meeting. NCC had acknowledged that since the Parish Partnership award was made to the Town Council for the study to be undertaken, NCC had not done enough to engage with the Town Council. The study outlined some draft proposal for what could potentially be put in place to improve the Fairland crossroads, to provide a pedestrian crossing in the Market Place and to implement parking restrictions on the Dereham Road. NCC asked for initial feedback on these 3 points.

Concern was raised regarding the conclusion that a mini roundabout would not be suitable at the Fairland crossroads due to the recorded numbers of traffic being too high, the study quotes that a mini roundabout 'should not' be used where traffic flow during peak hours is more than 500 vehicles per hour'. It was noted that there is a difference between 'should not' and 'must not' and the legislation governing the implementation of mini roundabouts needs to be understood.

NCC had agreed that the study could be extended at no further cost to the Town Council, to include assessment and possible solutions for problematic areas of parking in the Fairland and around the Market Place, and that the traffic counts should be redone, as they were undertaken during Covid and were unlikely to give a true representation of normal traffic counts.

It was noted that some of the designs for improvements to the junction would result in the loss of green, however this would be balance with additional pavements and improvements to pedestrian safety, giving some “future proofing” gain for Hingham.

Concerns were raised regarding the extensive housing growth in surrounding Breckland in particular in Great Ellingham and that Hingham was unlikely to benefit from developer contributions even though the growth would have an added impact on the infrastructure and services in Hingham.

It was agreed to forward comments to the Clerk regarding the suggestions for the Fairland junction, waiting restriction on Dereham Road and the Market Place pedestrian crossing, these comments will be fed back to NCC. Cllr Thompson, Cllr Roberts, Cllr Christien and Cllr Eldridge volunteered to assist with tasks needed to progress the completion of the study.

29. To receive and discuss the report by Cllr Thompson regarding the heritage style directional road signs and agree any actions

Cllr Thompson had written a report detailing the poor state of many of the town’s directional road signs. The report was forwarded to all Cllrs prior to the meeting. It was noted that the directional sign in Bond Street had been renovated to a standard that would be an ideal for all of the finger posts. Unfortunately it seems to be NCC preference to replace the wooden signs with plastic which are easily broken and are not in keeping with the heritage style of the original signage.

The Clerk advised that the Town Council didn’t have a power relating to repair/replacement of directional road signs and if they were to financially contribute it the Town Council would have to be satisfied that such expenditure would be permitted under S137. It was suggested that quotations could be sought to see how much replacing the signs, like for like, would cost. It was noted that having new signage would enhance Hingham and give residents pride in their environment.

County Cllr Dewsbury advised that replacement of this signage is not a financial priority for NCC. It was agreed to send Cllr Thompson’s report to NCC.

30. To receive and discuss the report by Cllr Thompson regarding other road signs requiring attention by Norfolk County Council /Street Name Plates requiring attention by South Norfolk Council and agree any actions

Cllr Thompson has written a report to follow up on the previously reported need for maintenance and repairs to various highway signs, road markings and other highway issues, the report was forwarded to all Cllrs prior to the meeting. A copy of this report has been given to the NCC Highways engineer and the MP George Freeman. It was noted that some of these issues are of safety concern especially where warning signage is obscured and too dirty to read, for example the horse and rider sign on Attleborough Road and the Playground sign on Watton Road, and that the road surface in front of the toilets has been in need of resurfacing for a number of years.

Cllr Thompson was thanked for all of his hard work on producing both reports and it was noted that he has saved NCC work in identifying and cataloguing the issues.

31. To discuss the failed street lighting columns in the Churchyard, and consider the Clerks recommendation that the street lighting contractors be instructed the undertake investigations

The Clerk advised that the streetlights in the church yard had failed before Christmas and then again shortly after being repaired. Both failures resulted in the electricity trip switch turning off and the failures coincided with heavy rainfall. The Contractor advised that it is likely that there is a fault with the electricity supply as the lamp columns themselves do not appear to be defective. In order to ascertain what/where the fault is investigation needs to take place. The contractor had supplied a quotation for 2 engineers to attend site for a day, advising that the full charge

would not be needed if the fault can be found quickly. It was agreed to instruct the contractor to carry out the required investigations.

32. To undertake a review of the Code of Conduct and consider a proposal to adopt the Local Government Association new Model Code of Conduct

The Clerk forwarded links to the LGA new Model Code of Conduct and associated guidance prior to the meeting and advised that since the Town Council had last looked at the document it had been updated and the guidance had been written. The Society of Local Council Clerks had advised that NALC have endorsed the new Model Code of Conduct.

The Council considered the new Code of Conduct to be a more comprehensive policy than the current Code of Conduct and therefore it was agreed that the LGA new Model Code of Conduct should be adopted.

33. Exclusion of the Press and Public under the Public Bodies (Admission to Meetings) Act 1960 to discuss the following matters:'

The following agenda items contain reference to information that is commercially sensitive, the following agenda item is therefore confidential

It was agreed to ask the public to leave the meeting. The Public left the meeting.

34. To consider any tenders received for the Internal Audit for financial year 2021/22

One tender had been received for the Internal Audit for financial year 2021/22. This tender was considered and it was agreed to appoint the Internal Auditor.

The meeting ended at 9.10pm

APPENDIX A

Matters Arising from the minutes of the Meeting of 01 February 2022

- Minute 25: Cllr Thompson has had correspondence with Costessey Town Council and the County Cllr for Costessey regarding the installation of the speed camera (update at a future meeting)
- Minute 28: Greater Norwich Local Plan hearings for Hingham sites are set for 3rd and 10th March 2022

Other Updates/Outstanding Issues

- The Insurance company have accepted the quotation for the refurbishment/repair of the public toilets. The contractor hopes to do this work in March.
- The Clerk contacted the Police Safer Neighbourhood Team regarding the reports on social media of tyre slashing in Hingham. The police urge anyone affected by this or other crime to report it.
- Skate Park is now temporarily closed, notices are on display and the gates are locked. Skatepark contractor has been asked for advice regarding suitable surface materials and suggests concrete may be a long term solution but advises against removing all equipment for tarmacking. Awaiting confirmation of date for meeting on site.
- The Clerk to meet with the NCC Officers regarding the cycle rack project (07.03.22)
- The pack of free trees have now received, planting required
- Applications for Assets of Community Value to be finalised, plans and ownership details are required.
- Parish Archives, the collection of the materials to be arranged.
- Parking, Please do not park on the grass signs received, they require suitable stakes.
- Tree Survey, quotations for relevant work to be obtained.
- Trees for planting (Fairland and Market Place permanent Christmas Trees) to be sourced.
- Notice boards for the toilets to be purchased.
- Both wooden notice boards (Market Place and Fairland) are now becoming difficult to open and lock, they become damp and condensated. The clerk advises considering the purchase of a new purpose built free standing notice board if there is a suitable location in the Market Place. A new notice board for the Fairland is also recommended. To be added to a future agenda.
- Church Clock site visit for quotations for upgrading the clock are to be arranged. Previous contractor has been contacted for advice regarding a new clock mechanism, no response received.
- Street Lighting, the contractor has been asked to undertake the renumbering of the footway lights which has been started. A condition report is awaited on all of the Council's footway lighting, (priority can then be assessed depending on the condition/safety of the light columns, for obtaining quotations for changing lights to LED). With regards to possible solutions to replacing the Tally Alley light, the contractor suggested the use of illuminated bollards, ownership of the alleyway needs to be established.
- Communications Policy, including social media policy is being worked upon. Cllrs are reminded not to comment on public social media pages making reference to themselves as Councillors, in a way that could give inaccurate information or be misleading or misconstrued as the Council having discussed and agreed something, when this is not the case. Staff/Cllr communication/relationship protocol to be drafted.
- The Clerk has been working on an overall Cemetery Fees Policy containing all points relevant to the fee structure including frequency and method of fees reviews. This is to be finalised and brought back to a future Town Council meeting with a review of the cemetery fees and cemetery terms and conditions.
- Extension of Cemetery Driveway and turning circle, the Clerk has spent some time in the cemetery looking at the area that would be required to extend the driveway. The area is very extensive and the clerk is concerned about the application of such a large area of tarmac, (environmental and cost). There may be other more appropriate solutions, including a shorter tarmac extension followed by "matting" under the grass surface (and possibly a tarmac path for better pedestrian/disability access), and leaving the existing grass as a driveway over the old cemetery area. Advice is needed from a funeral director with regard to vehicles used. The use of the driveway (as in frequency) for funerals is

minimal therefore the grass should not become too worn from being driven on, this requires a lot of further thought to ensure the Council have a cost effective but long term solution for the future use of the cemetery .

- 2 steel liners for the Market Place bins to be ordered (liners available at a reasonable price are a slightly different size to the existing ones (by mm's) liners of the same size have not yet been found.
- Commemorative Plaque for the Fairland Bus shelter, to be ordered

Report prepared 28 Feb 2022 does not include Matters Arising when the item is on the forthcoming meeting's agenda

Crime Figures – latest December 2021 (no further update available at the time of writing)
